ANYTHING ELSE

Is there anything else about yourself that you feel would be helpful for us to know as you consider joining our church family? This could include your hobbies, talents, life experiences, or areas where you feel called to serve.

As part of our commitment to supporting one another in our faith journeys, we want to create a safe space for growth. Is there anything in your life where you feel you could benefit from prayer, guidance, or specific support from our pastoral team or community?

The next step in the membership process is to have a one on one with an Elder or one of the CLT. When can you meet with an elder to chat more about membership?

This form does not represent membership, as we don't believe membership can be reduced to 'signing up,' because it's something of the heart. However, filling in this form indicates a desire to be considered for membership, and helps highlight a few important aspects of membership, and helps us get to know you and assist in getting you connected into our church family.
